Annual Report

2016

TOWN OF MANLIUS POLICE DEPARTMENT

Chief of Police

This annual report reflects the events of the Town of Manlius Police Department for 2016. In February of this year, the agency underwent staffing changes one of which was the retirement of Francis R. Marlowe. Until a new Chief of Police is appointed, I have been asked by the Manlius Town Board to step into the role of acting Chief of Police. My goal is to ensure that the citizens of the Town of Manlius continue to receive the high level of integrity and service that they deserve and expect.

We continue to be an Internationally Accredited Police Agency through the Commission on Accreditation for Law Enforcement Agencies, Inc. (CALEA), and a State Accredited agency through the New York State Accreditation Program. Our reasoning is simple; professional standards build trust with the community we serve. With our participation in these accreditation programs, we demonstrate to our community that we will conduct ourselves with integrity and honor while holding ourselves accountable to an independent authority.

We are continuously seeking input from the citizens of the Town of Manlius. Every week, we randomly mail out a simple survey to five people who we have encountered in our daily duties. We also partner annually with Syracuse University's Maxwell School of Citizenship and Public Affairs for a random satisfaction survey.

I invite you to review our accomplishments in 2016. As always, feel free to contact us with any problems or concerns you may have with our members or our agency.

Sincerely,

Kevin J. Schafer

Acting Chief of Police

TOWN OF MANLIUS POLICE DEPARTMENT

History

The Town of Manlius was established in 1794, is approximately 54 square miles and has a population of around 32,370 according to the latest census (2010).

The Town of Manlius is located in Central New York within Onondaga County, and is an eastern suburb of the City of Syracuse. The Town of Manlius is home to the villages of Fayetteville, Manlius and Minoa, and to the East Syracuse-Minoa and Fayetteville-Manlius School Districts. Within its boundaries are state parks, village parks, a medical center, shopping plazas, and recreational areas.

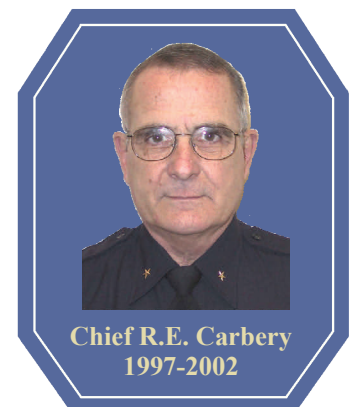

Prior to 1985, the three villages each maintained police departments which also provided police services to citizens residing outside the villages. In 1985, the Town and the three villages entered into a joint municipal agreement to provide police services for both town and village residents and became known as the Town of Manlius Police Department.

Today, the Town of Manlius Police Department serves over 32,000 residents, and is the primary full service law enforcement agency for the three Villages and the Town. The agency responds to an average of 13,000 calls for service a year, provides marked patrol services, investigative and juvenile operations, school resource officers and a vast array of services to the citizens of the jurisdiction.

Police Chaplain

General Order 245 establishes the volunteer Police Chaplain program for the Town of Manlius Police Department. The role of the Chaplain is to “assist the department in carrying out its mission as it relates to providing assistance to members of the department, their families, and the community.” Duties include counseling agency personnel and their families in stress management, personal crisis and family life and in providing assistance following line-of-duty deaths or serious injuries, providing assistance in making death or serious injury notifications, and attending to suicides and other incidents where the Chaplain may be of assistance. Other duties include ministering to any person upon the request of investigating officers or others in authority in the department, responding to the scenes of major incidents, serving as liaison to area clergy and assisting with ceremonial functions. The Chaplain carries out his role in the following ways:

On call activities

- Death notifications.
- Assistance to families following suicides.
- On call to be present with families upon the death of family members; provide support to the families and assist by contacting family’s priest/pastor/imam so as to hand off spiritual care to their religious communities.

Ceremonial duties

- Attend and offer invocation and benediction at the annual Police Benefit Association Awards banquet and public events.
- Attend and offer prayer at promotion ceremonies and retirement events.

Pastoral activities

- Ride with officers on patrol.
- Provide private and email counsel to department members.
- Confer with command staff and members about the welfare and dynamics of the agency and its personnel.

Other activities

- Serve on new officer interview panel.
- Speak with panel leader about the role of the Police Chaplain at the time of CALEA assessment.
- Serve on Town of Manlius Critical Response Committee as TMPD Police Chaplain, upholding the need and ways to care for emergency responders during community emergencies.
- Take part in the annual town-wide Critical Response Committee drill.
- Attended social functions as invited by department members.
- Provide Critical Incident Stress Management renewal training.
- Provide Critical Incident Stress Management service as needed following difficult calls.

TOWN OF MANLIUS POLICE DEPARTMENT

TOWN OF MANLIUS POLICE DEPARTMENT

Accreditation

CALEA Accreditation

The Commission on Accreditation of Law Enforcement Agencies (CALEA) provides international accreditation which is a proven management model that provides for the framework to ensure:

- Efficient use of resources and service delivery improvements.
- Policies and practices that are consistently reviewed and updated.
- Verification from independent outside assessors to ensure trust and transparency.
- Greater accountability within the agency.
- Reduced risk and liability exposure through policy and internationally accepted best practices.
- Community advocacy and involvement.

The agency has been accredited through CALEA since 1996. Every four years a team of CALEA Assessors arrive at our headquarters to conduct an on-site assessment of the department's written protocol, standard operating procedure, written reports, facility and personnel. They look at the avenue in which the department conducts day-to-day business both in house and out on the street to ensure compliance with the 464 standards of the law enforcement program.

In 2010, the department was honored with the coveted "Flagship" status which identifies the agency and its members as exemplary examples of law enforcement service. In December 2016, a team of Assessors recommended this agency for reaccreditation status again after a on-site assessment. The next scheduled on site assessment by CALEA is in December 2020.

New York State Accreditation

The New York State Law Enforcement Accreditation Program is a process that continues to evolve in ways that are consistent with the changing legal, social and fiscal developments. The process continuously evaluates and updates commonly accepted standards and provides a progressive and time proven way to improve overall performance.

In 1996, The Town of Manlius Police Department earned its initial New York State Law Enforcement Accreditation award and every five years undergoes an on-site assessment. The department was recently reassessed in 2016 and was once again recommended for reaccreditation. The department has received reaccreditation status continuously since 1996.

The next scheduled onsite assessment by New York State is in the year 2021.

TOWN OF MANLIUS POLICE DEPARTMENT

Special Investigations Section (SIS)

The Special Investigations Section (SIS) serves as the primary support to the Field Services Section. Working together SIS provides enhanced investigative efforts into complex or time intensive cases.

SIS maintains primary responsibility for:

- Suspicious death investigations
- Case property management
- Collection and preservation of evidence
- Narcotic sales investigations
- Organized crime investigations
- Intelligence gathering, analysis and dissemination
- Surveillance operations
- Liaison with the Onondaga County D. A.'s office
- Confidential source registration and management
- Time intensive investigations

SIS also encompasses:

- Family Services Officer (FSO)
- School Information Resource Officer's (SIRO's)
- Community Relations
- Crime Prevention
- Public Relations

SIS investigators receive specialized training to increase their knowledge in areas such as:

- Interview techniques
- Search warrants
- Search & seizure laws

In 2016 SIS was assigned 119 cases, and assisted the Field Services Section (FSS) with 73 cases. Assistance to the FSS included: performing interviews of suspects, victims and witnesses, conducting pawn shop checks for stolen property, submitting bulletins to the Onondaga Crime Analysis Center, providing forensic examinations of cellular telephones and other electronic devices, authoring search warrants, conducting computerized voice stress analysis examinations of suspects, handling juvenile cases and performing evidence technician duties at crime scenes. Overall, 84% of the assigned cases were closed by arrest or other means.

Noteworthy SIS investigations from 2016 include:

- An investigation into a brutal stabbing in the southern portion of the Town that resulted in the identification and arrest of the perpetrator within 12 hours of the incident occurring. The perpetrator was charged with felony counts of Assault and Robbery.
- SIS assumed responsibility for ten commercial burglaries that occurred in the central portion of the Town. An extensive investigation was conducted which resulted in the identification and arrest of the person responsible. In addition, over 75 pieces of property were recovered, most of which was identified by the victims. The perpetrator was charged with multiple felony charges to include Burglary and Grand Larceny.
- SIS, working in concert with the Town of Dewitt Police Department conducted an extensive investigation into a rash of car larcenies and residential burglaries within the central and northern portions of the Town. The investigation resulted in the arrest of two subjects both of whom were charged with several felony and misdemeanor charges to include Burglary, Grand Larceny, Falsifying Business Records and Petit Larceny.
- SIS provided assistance to the Onondaga County District Attorney's Office, the Onondaga County Sheriff's Office, the Towns of Dewitt and Camillus Police Departments, the Madison County Sheriff's Office, the New York State Police, the New York State Bureau of Narcotics and several Federal Law Enforcement agencies throughout 2016.
- The assistance included interviewing suspects, performing evidence technician work, conducting forensic examinations of cellular telephones and other electronic devices, providing intelligence information on suspects and assisting with the execution of arrest and search warrants within the Town of Manlius.

TOWN OF MANLIUS POLICE DEPARTMENT

Family Services Officer (FSO), School Information Resource Officers (SIRO)'s & Community Relations

The Family Services Officer (FSO) has primary responsibility for family and juvenile matters to include investigating crimes perpetrated by or against juveniles, child endangerment and neglect complaints, domestic violence incidents and investigations into complaints of elder abuse or neglect. The FSO is responsible for implementing programs designed to prevent delinquency, substance abuse and victimization along with responding to the request for education and specialized presentations from community groups such as local Boy Scout and Girl Scout troops, BOCES new Dimensions and area church groups. The FSO teaches these programs to the appropriate age levels which include the following topics:

- Staying with a trusted adult
- Know your address and phone number
- When to call 911
- Peer pressure
- Internet Safety
- Staying home alone
- Bullying and Cyberbullying
- Alcohol and Drugs
- Abduction Safety
- Summer Safety
- Halloween Safety

The FSO was invited to become a member of the newly formed East Area Support Network which was created to address the growing heroin/opiate epidemic in our community. The committee is made up of over twenty community members, representing a range of disciplines, including the health profession, education and law enforcement. The goal of the committee is to provide education, resources and safe place alternatives to those suffering from addiction and mental health issues.

The FSO also provides adult education throughout the community. Local organizations such as Maple Downs Senior residence facility, area libraries, the YMCA, and the ES-M and F-M school districts have requested various safety topics presented to their audiences. Some of the programs that have been taught are the following:

- Internet safety for parents/teachers: Internet presentations directed at educating parents and other adults charged with the care of juveniles and their safety. Four presentations were completed in 2016 by the FSO.
- Senior safety: The FSO spoke to residents at local senior homes and senior programs on current scams and faulty financial investments targeting the elderly population.
- Adult safety: This course provided adults with safety information relating to scams and internet use, being aware of your surroundings, and locking up vehicles and homes to lessen the chances of becoming a victim.
- Alcohol and drug education: Many requests were received in 2016 in response to the rising number of opiate overdoses. The F-M, ES-M and J-D school districts implanted a drug forum which included presentations from the SIROs, FSO, the Onondaga County District Attorney's Office, school psychiatrist/counselors and medical doctors. This forum was designed to help educate parents in the community about the addiction and mental health problems faced in the community.

TOWN OF MANLIUS POLICE DEPARTMENT

Family Services Officer (FSO), School Information Resource Officers (SIRO)'s & Community Relations

School Information Resource Officers (SIRO) maintain a full time presence in both the ES-M and F-M schools located within the township. The SIRO's meet daily with students and staff both formally and informally to provide training, consultation, and crisis intervention. The three SIROs also visit classrooms in their respective districts to provide education to the students on various topics.

In 2016 the following topics were taught in the schools:

- **Alive at 25 and driver's education:** A course designed to teach teen drivers the consequences of risky driving behaviors which attribute to a high number of traffic accidents, injuries and death.
- **Government/Law classes:** Information provided to students in various law topics such as, search and seizure, interview & interrogation, MHL 941 and mental health issues and use of force.
- **Personal safety:** Students were taught techniques to stay aware of their surroundings and learned basic self defense techniques to combat an attacker.
- **Career presentations:** SIROs presented in numerous classes regarding the required training and education necessary to become a police officer and the career options available within the field.

The Town of Manlius Police Department strives to maintain positive community relations through programs run within the community and the schools. Agency sponsored programs are designed to increase the public's awareness of the police function as well as the citizen's responsibility in our community. The Town of Manlius Police Department has increased its utilization of Facebook to assist with advertising community events and notifying the community of criminal activity and general safety topics. Community relations programs are conducted by various members of the department and include but are not limited to:

- **Law Enforcement Explorer Post #906:** Boy Scout Exploring program designed to expose teens and young adults (14-20) to a career in law enforcement.
- **Open House:** Event held at TMPD headquarters giving the community and opportunity to tour the facility, learn about services offered by TMPD and other first responding agencies, and meet with police officers.
- **Halloween Safety Night:** Event held in October that is geared towards reminding kids and parents about the safety rules to follow on Halloween Night.
- **Station tours:** Patrol officers present to local groups wishing to get a 'behind the scenes' tour of the police department.

Field Services & Traffic Enforcement

The Field Services Section (FSS) is considered the “backbone” of the agency. The FSS is tasked with:

- Patrol Services
- Responding to calls for service (CFS)
- Preliminary & Follow-Up Investigations
- Collection & Preservation of Evidence
- Traffic Enforcement
- Accident Investigations
- Neighborhood Patrols
- Bicycle Patrol
- Community Oriented Policing Initiatives

In late 2014, a mutual aid agreement between the Town of Manlius and the Town of Dewitt Police Departments was agreed upon for investigating major accidents. This allows these two departments to share resources and equipment for better response times, as well as the costs for both personnel and equipment. This agreement was implemented in the year 2015 and continues into 2017.

A review of the total reported accidents for 2016 reveals the department has a slight increase of 3.45 % in preventable MVC's in comparison to the total number of preventable MVC's in 2015. This review also shows a 3.06% increase in preventable MVC's when compared to the average of the past three years.

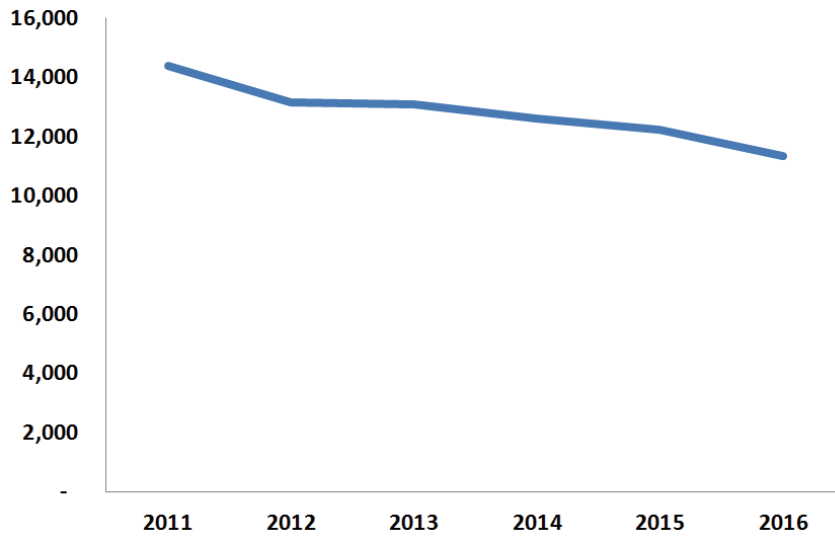

The Town of Manlius Police Department's continued goal is to ensure the safety of all motorists operating within the jurisdiction. To this end, traffic enforcement is a tool utilized by the department to reduce personal injury and property damage to the pedestrian, cycling and the motoring public.

The Town of Manlius Police Department maintains a multifaceted program to address aggressive driving traits. One of the ways the agency addresses these traits is to use statistical data from crash investigation reports. These reports are analyzed monthly for causational factors, locations, and times of occurrence and the data is then vetted for patterns. After a comprehensive review, a selective enforcement campaign then targets the top causes, locations, and times where preventable motor vehicle crashes (MVC's) are occurring. The program also looks at all neighborhood traffic complaints and targets these areas as well. These types of operations include public and social media campaigns, roadway signage, and strict vehicle and traffic enforcement. Aggressive driving includes failure to yield the right of way, following too closely, unsafe lane change, unsafe passing, disregard of traffic signals & signs, using electronic devices while driving, failing to signal and driving under the influence of alcohol and/or drugs. Efforts targeted at aggressive driving violations resulted in an increase of traffic tickets written for aggressive driving.
