

Town of Manlius Police Department

Annual Report 2019

TOWN OF MANLIUS POLICE DEPARTMENT

Chief of Police

January 1, 2020

Dear Resident:

Through a successful merger of three Village Police Departments, the Town of Manlius Police Department (TMPD) was created in 1985 making it one of the youngest Police Departments in Onondaga County. But don't let our age fool you, the TMPD is a full-service modern State and Nationally Accredited law enforcement agency providing exclusive services to our 32,000 residents.

In 2019, we responded to nearly 22,000 calls for service and wrote approximately 2,900 police reports. In addition to traditional police work, we offer a whole host of exceptional police services all in an effort to strengthen our commitment to exceptional community policing and problem solving. One such program, which has been highly successful, is our Citizen Police Academy. Twice a year, citizens attend a ten-week training program and learn all about their police department to include but not limited to classes on use of force, traffic enforcement, juvenile crime and citizen police contacts. Please go to our website if you are interested in participating. <https://www.townofmanlius.org/149/Police-Department>.

It's been said that there are three basic concepts which need be achieved in order to maintain a successful modern law enforcement agency; they include solid policy, superb training and strong discipline. I am happy to say that the TMPD has skillfully mastered all three of these principles and we verify this annually through our voluntary involvement in both State and CALEA law enforcement accreditation.

Accreditation and great programs are important, but our greatest asset of course is our people! Your average Town of Manlius Police employee is intelligent, strong, patient, highly trained and most important totally committed to providing the best possible police service with each and every contact.

I am so proud of what we have accomplished; I'm excited for our future together and honored to serve as your Chief.

Sincerely,

Michael J. Crowell

Chief of Police

TOWN OF MANLIUS POLICE DEPARTMENT

History

The Town of Manlius was established in 1794, is approximately 54 square miles and has a population of around 32,370 according to the latest census (2010).

The Town of Manlius is located in Central New York within Onondaga County, and is an eastern suburb of the City of Syracuse. The Town of Manlius is home to the villages of Fayetteville, Manlius and Minoa, and to the East Syracuse-Minoa and Fayetteville-Manlius School Districts. Within its boundaries are state parks, village parks, a medical center, shopping plazas, and recreational areas.

Prior to 1985, the three villages each maintained police departments which also provided police services to citizens residing outside the villages. In 1985, the Town and the three villages entered into a joint municipal agreement to provide police services for both town and village residents and became known as the Town of Manlius Police Department.

Today, the Town of Manlius Police Department serves over 32,000 residents, and is the primary full service law enforcement agency for the three villages and the town. The agency responds to an average of 20,500 dispatched calls for service a year, provides marked patrol services, investigative and juvenile operations, school resource officers and offers a vast array of services to the citizens of the jurisdiction.

Accreditation

CALEA Accreditation

The Commission on Accreditation for Law Enforcement Agencies (CALEA) provides international accreditation which is a proven management model that provides for the framework to ensure:

- Efficient use of resources and service delivery improvements.
- Policies and practices that are consistently reviewed and updated.
- Verification from independent outside assessors to ensure trust and transparency.
- Greater accountability within the agency.
- Reduced risk and liability exposure through policy and internationally accepted best practices.
- Community advocacy and involvement.

The Town of Manlius PD has been accredited by CALEA since 1996. The agency is required to comply with 344 established, law enforcement standards. Annually, a CALEA assessor remotely reviews 25% of these standards to ensure agency compliance. Every four years a team of assessors conduct an on-site assessment to verify compliance with all applicable standards and observe the day to day operations of the Department, conduct interviews with agency personnel, community members and other entities that the Department works with.

In 2010 the Department received the Flagship Award from CALEA which formally recognizes the agency and its' members for providing exemplary law enforcement services to their community. The TMPD received its' eighth re-accreditation in 2016 and was awarded a certificate of Advanced Meritorious Service. The next on-site re-assessment will take place in October 2020.

New York State Accreditation

The New York State Law Enforcement Accreditation Program assists police departments in evaluating and improving their overall performance. It provides formal recognition that an agency meets or exceeds general expectations of quality and acknowledges that they have implemented policies and procedures that are sound and effective.

In 1996, the Town of Manlius PD received its' first NYS Law Enforcement accreditation. The agency undergoes a re-assessment by NYS assessors every five years and has remained in continuous compliance with 110 NYS established standards since 1996. The next re-assessment will take place in 2021.

- Village PD's
Baldwinsville N. Syracuse, Chittenango and Cazenovia
- The US Secret Service
- Immigration and Customs Enforcement
- Homeland Security
- FBI

Suspect interviews, evidence technician analysis, forensic analysis of cellular devices, providing intelligence, and information sharing, as well as assisting with the execution of arrests and search warrants are a few of the different types of assistance SIS provided to outside agencies.

TOWN OF MANLIUS POLICE DEPARTMENT

School Information Resource Officers (SIRO's)

School Information Resource Officers (SIRO's) maintain a full time presence in both the ES-M and F-M schools located within the township. The SIRO's meet daily with students and staff both formally and informally to provide training, consultation, and crisis intervention. The five SIROs also visit classrooms in their respective districts to provide education to the students on various topics.

High school programs may include the following:

- **Alive at 25 and driver's education:** A course designed to teach teen drivers the consequences of risky driving behaviors which attribute to a high number of traffic accidents, injuries and death.
- **Mock DWI:** Re-enactment of a DWI crash with serious injuries and death associated with the accident. Designed to make a significant impact on the students as to the dangers of drinking and driving.
- **Health Classes:** Topics include the effects of drugs and alcohol, criminal activity associated with drug use and addictions, and how to handle situations students may or may not encounter regarding drugs and alcohol.
- **Personal safety:** Students were taught techniques to stay aware of their surroundings and learned basic self defense techniques to combat an attacker.
- **Career presentations:** SIROs presented in numerous classes regarding the required training and education necessary to become a police officer and the career options available within the field.
- **Government/Law classes:** Information provided to students in various law topics such as, search and seizure, interview & interrogation, MHL 941 and mental health issues and use of force.
- **Lockdown Drills:** Aimed to encourage staff and students to take lockdown drills seriously, SIRO's and Patrol Officers participated in several school lockdown drills. Participation in these drills helps to ensure schools are following procedures and protocols.

Middle School Programs may include the following topics:

- **Bullying:** Presentations on the consequences for bullying and cyber-bullying and what to do if a student is being bullied or knows someone who is being bullied.
- **Drugs and Alcohol:** The dangers of using drugs and consuming alcohol are taught. Drug laws and the effects of drugs on a community are also taught.
- **Internet Safety:** Internet usage and social media applications and how making poor choices on the internet can effect a persons future. Special emphasis is placed on the sending of inappropriate pictures as well as threats of any kind.

Elementary School Programs may include the following topics:

- **General Safety:** Age appropriate safety topics are taught in all grades.
- **Halloween Safety:** SIRO participation in Halloween parades and Halloween safety rules are taught at this level.
- **Wellness Days / Picnics:** SIRO participation in special events enables them to make positive connections with staff and students.

Family Services Officer (FSO)

The Family Services Officer (FSO) has primary responsibility for family and juvenile matters to include investigating crimes perpetrated by or against juveniles, child endangerment and neglect complaints, domestic violence incidents and investigations into complaints of elder abuse or neglect. This position allows for an officer to receive specialized training to better equip them to effectively handle sensitive matters involving juveniles, victims and the elderly population. Many crisis' involve long term assistance and guidance which may not be conducive with the daily schedule of patrol officer. The FSO has the resources, time and dedication to fully focus on the needs of these individuals.

The FSO is responsible for implementing programs designed to prevent delinquency, substance abuse and victimization along with responding to the request for education and specialized presentations from community groups. The FSO receives requests from the local Boy Scout and Girl Scout troops, BOCES New Dimensions, local senior citizen residential facilities, the YMCA, Town and Village recreation departments, Village libraries, local Day Care and Pre-School programs, Fayetteville-Manlius and East Syracuse-Minoa School Districts, and area church groups.

In order to properly service the community, the FSO maintains a liaison with various programs within the community, along with county funded programs designed to assist with long term solutions for families and victims.

The following is a list of commonly used programs:

- ARISE**-A school based mental health program for students in need. Currently offered in the ESM School District only.
- ACCESS Team**-Single point access for youth aged 5 years old to 21 experiencing emotional and behavioral challenges.
- Adult Protective Service (APS)** - Social services program that serves older adults who are in need of assistance.
- Child Protective Services (CPS)**
- Vera House**-Sexual assault and domestic violence service agency
- Project Concern**-Juvenile fire starters program
- East Area Support Network**-Committee created to address mental health and addiction issues in the community
- Cyber Justice Diversion Program**-Educational diversion program for youth involved in inappropriate use of cell phones or the internet

On October 1, 2018, NYS legislation was enacted to raise the age of juveniles from 15 to 16. The legislation was passed based on data that show that the human brain is not fully developed until around age 25. Because an adolescents brain is still developing, behavior, personality and character traits are highly receptive to changes. Because of this, adolescents respond well to interventions, learn to make responsible choices, and are likely to grow out of negative or delinquent behaviors.

In October 2019 NYS phased in the second installment of Raise the Age. The age that a person is still considered a juvenile as it relates to the criminal justice system was increased from 17 to 18 years of age. Therefore any person who commits a criminal offense will not be treated as an adult until they have reached their 18th birthday.

In 2019, TMPD arrested 40 juveniles, who in turn would have been referred to Family Court for case adjudication. TMPD arrested 37 juveniles under the mental health law. Of these 26 were referred to Golisano's Children's Hospital and 11 juveniles were referred to St. Joseph's CPEP facility for emergency intervention. TMPD made 20 referrals to Child Protective Services and 8 referrals to Adult Protective Services. In many of the above cases, the juveniles would have been referred to any of the above Enforcement Programs or prevention programs available as an alternative to the court system.

TOWN OF MANLIUS POLICE DEPARTMENT

Community Relations

The Town of Manlius Police Department strives to maintain positive community relations through agency sponsored programs within the community and the twelve area schools. These programs are designed to increase the public's awareness of the police function as well as the citizen's responsibility in our community. Field Services & Traffic Enforcement

The Field Services Section (FSS) is considered the “backbone” of the agency. The FSS is tasked with:

- Patrol Services
- Responding to calls for service (CFS)
- Preliminary & Follow-Up Investigations
- Collection & Preservation of Evidence
- Traffic Enforcement
- Accident Investigations
- Neighborhood Patrols
- Bicycle Patrol
- Community Oriented Policing Initiatives

Field Services Activity	2016	2017	2018	3 Year Ave	2019
Criminal Complaints	1039	917	998	980	885
Preventable Traffic Crashes	539	497	507	519	466

Parking Tickets Issued	139	100	141	112	212
Traffic Tickets Issued	4930	4496	5513	4520	4694

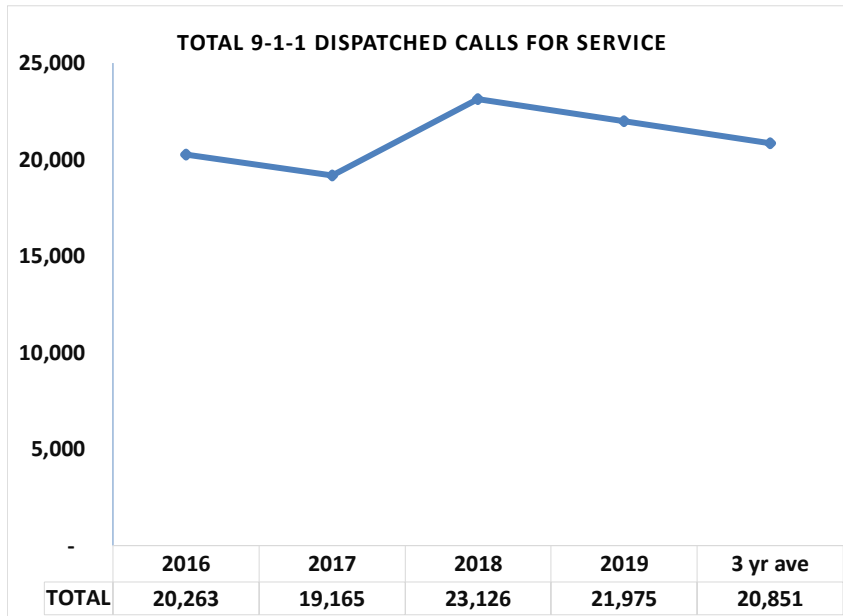

A review of the total reported accidents for 2019 reveals a decrease of 8.09 % in preventable MVC's in comparison to the total number of preventable MVC's in 2018. This review also shows a 10.21% decrease in preventable MVC's when compared to the average of the past three years.

The Town of Manlius Police Department's continued goal is to ensure the safety of all motorists operating within the jurisdiction. The department utilizes traffic enforcement as a tool to reduce personal injury and property damage to the pedestrian, cycling and the motoring public.

The Town of Manlius Police Department maintains a multifaceted program to address aggressive driving traits. One of the ways the agency addresses these traits is to use statistical data from crash investigation reports. These reports are analyzed monthly for causational factors, locations, and times of occurrence and the data is then vetted for patterns. After a comprehensive review, a selective enforcement campaign then targets the top causes, locations, and times where preventable motor vehicle crashes (MVC's) are occurring. The program also looks at all neighborhood traffic complaints and targets these areas as well. These types of operations include public and social media campaigns, roadway signage, and strict vehicle and traffic enforcement. Aggressive driving includes failure to yield the right of way, following too closely, unsafe lane change, unsafe passing, disregard of traffic signals and signs, using electronic devices while driving, failing to signal and driving under the influence of alcohol and/or drugs. Efforts targeted at aggressive driving violations resulted in an increase of traffic tickets written for aggressive driving.
