

Town of Manlius Police Department

Annual Report 2020

TOWN OF MANLIUS POLICE DEPARTMENT

Chief of Police

January 1, 2021

Dear Resident:

Without question, 2020 was a challenging year. Despite a world-wide pandemic, the Town of Manlius Police Department continued to provide first rate essential law enforcement services.

In the summer, while some communities lashed out at law enforcement, we witnessed our community become more cohesive. We will forever be indebted to those citizens who provided countless words of encouragement, wrote letters of support, sent uplifting emails, and delivered various gestures of appreciation. We are so fortunate to serve such a gracious community!

In August, the Governor signed Executive Order#203 entitled: New York State Police Reform and Re-invention Collaborative. This action ordered almost every Police Department in New York, to include the Town of Manlius Police Department, to review its practices, policies, procedures and to form a plan for improvement. While some police leaders balked, we fully embraced this process with great confidence. Through this comprehensive review, we of course found opportunities for improvement, but mainly, the process confirmed that most of our practices remain sound and legitimate. We did discover, however, that we clearly needed to focus more on our core mission. Therefore, I am excited to announce that in 2021 the Town of Manlius Police Department will develop a new Community Support Unit. This new unit will concentrate on community engagement, crime prevention, education and bolster our long-standing commitment to Procedural Justice.

2021 will be an exciting year and I am honored to be your Police Chief.

Sincerely,

A handwritten signature in dark ink, appearing to read "McCrowell".

Michael J. Crowell

TOWN OF MANLIUS POLICE DEPARTMENT

History

The Town of Manlius was established in 1794, is approximately 54 square miles and has an estimated population of around 31,653 according to the latest census estimates for the 2020 census.

The Town of Manlius is located in Central New York within Onondaga County, and is an eastern suburb of the City of Syracuse. The Town of Manlius is home to the villages of Fayetteville, Manlius and Minoa, and to the East Syracuse-Minoa and Fayetteville-Manlius School Districts. Within its boundaries are state parks, village parks, a medical center, shopping plazas, and recreational areas.

Prior to 1985, the three villages each maintained police departments which also provided police services to citizens residing outside the villages. In 1985, the Town and the three villages entered into a joint municipal agreement to provide police services for both town and village residents and became known as the Town of Manlius Police Department.

Today, the Town of Manlius Police Department serves over 31,500 residents, and is the primary full service law enforcement agency for the three villages and the town. The agency responds to an average of 20,500 dispatched calls for service a year, provides marked patrol services, investigative and juvenile operations, school resource officers and offers a vast array of services to the citizens of the jurisdiction.

Accreditation

CALEA Accreditation

The Commission on Accreditation for Law Enforcement Agencies (CALEA) provides international accreditation which is a proven management model that provides for the framework to ensure:

- Efficient use of resources and service delivery improvements.
- Policies and practices that are consistently reviewed and updated.
- Verification from independent outside assessors to ensure trust and transparency.
- Greater accountability within the agency.
- Reduced risk and liability exposure through policy and internationally accepted best practices.
- Community advocacy and involvement.

The Town of Manlius Police Department has been accredited by CALEA since 1996. The agency is required to comply with 344 established, law enforcement standards. Annually, a CALEA assessor remotely reviews 25% of these standards to ensure agency compliance. Every four years a team of assessors conduct an on-site assessment to verify compliance with all applicable standards and observe the day to day operations of the Department, conduct interviews with agency personnel, community members and other entities that the Department works with.

In 2010 the Department received the Flagship Award from CALEA which formally recognizes the agency and its' members for providing exemplary law enforcement services to their community. The TMPD received its' eighth re-accreditation in 2016 and was awarded a certificate of Advanced Meritorious Service. The agency completed a successful virtual site-based re-assessment in October 2020 and will complete the process for its' ninth consecutive full re-accreditation during the September 2021 CALEA conference.

New York State Accreditation

The New York State Law Enforcement Accreditation Program assists police departments in evaluating and improving their overall performance. It provides formal recognition that an agency meets or exceeds general expectations of quality and acknowledges that they have implemented policies and procedures that are sound and effective.

In 1996, the Town of Manlius Police Department received its' first NYS Law Enforcement accreditation. The agency undergoes a re-assessment by NYS assessors every five years and has remained in continuous compliance with 110 NYS established standards since 1996. The next re-assessment will take place in 2021.

TOWN OF MANLIUS POLICE DEPARTMENT

Special Investigations Section (SIS)

SIS serves as the primary support to FSS. Working together SIS provides enhanced investigative efforts into complex or time intensive cases.

SIS maintains primary responsibility for:

- Suspicious death investigations
- Case property management
- Collection and preservation of evidence
- Narcotic sales investigations
- Organized crime investigations
- Intelligence gathering, analysis & dissemination
- Surveillance operations
- Liaison with the Onondaga County D. A.'s office
- Confidential source registration and management
- Time intensive investigations

SIS investigators receive specialized training to increase their knowledge in areas such as:

- Interview techniques
- Search warrants
- Search & seizure laws
- Digital and social media investigations

SIS also encompasses:

- Family and juvenile services
- School Information Resource Officer's (SIRO's)
- Special Peace Officers (SPO's)
- Community Relations
- Crime Prevention
- Public Relations

In 2020 SIS was assigned 28 cases and assisted the Field Services Section (FSS) with a total of 63 cases. Assistance to the FSS included: performing interviews of suspects, victims and witnesses, conducting pawn shop checks for stolen property, providing forensic examinations of cellular telephones and other electronic devices, authoring search warrants, handling juvenile cases and performing evidence technician duties at crime scenes. Overall, 43% of the 28 assigned cases were closed by arrest or other means.

Noteworthy SIS investigations from 2020 include:

- Prostitution and underage sex crimes
- Menacing
- Harassment and stalking
- Burglaries - residential and commercial
- Stolen vehicles

Throughout 2020, SIS provided assistance to:

- New York State Police
- Broome County Sheriff's Office
- Town of Camillus PD
- Village of North Syracuse PD

Suspect interviews, evidence technician analysis, forensic analysis of cellular devices, providing intelligence, and information sharing, as well as assisting with the execution of arrests and search warrants are a few of the different types of assistance SIS provided to outside agencies.

TOWN OF MANLIUS POLICE DEPARTMENT

School Information Resource Officers (SIRO's) and Special Patrol Officers (SPO's)

SIRO's maintain a full time presence in both the East Syracuse-Minoa and Fayetteville-Manlius school districts located within the township. The F-M School District also contracts for two SPO's for their school district. The SIRO's and SPO's meet daily with students and staff both formally and informally to provide guidance, training, consultation, and crisis intervention. The five SIRO's and the two SPO's also visit classrooms in their respective districts to provide education to the students on various topics.

High school programs may include the following:

- **Alive at 25 and driver's education:** A course designed to teach teen drivers the consequences of risky driving behaviors which attribute to a high number of traffic accidents, injuries and death.
- **Mock DWI:** Re-enactment of a DWI crash with serious injuries and death associated with the accident. Designed to make a significant impact on the students as to the dangers of drinking and driving.
- **Health Classes:** Topics include the effects of drugs and alcohol, criminal activity associated with drug use and addictions, and how to handle situations students may or may not encounter regarding drugs and alcohol.
- **Personal safety:** Students are taught techniques to stay aware of their surroundings and learn basic self defense techniques to combat an attacker.
- **Career presentations:** SIROs presented in numerous classes regarding the required training and education necessary to become a police officer and the career options available within the field.
- **Government/Law classes:** Information provided to students on various law topics such as, search and seizure, interview & interrogation, mental health issues and laws, and use of force.
- **Lockdown Drills:** Aimed to encourage staff and students to take lockdown drills seriously, SIRO's, SPO's and Patrol Officers participate in school lockdown drills. Participation in these drills helps to ensure schools are following procedures and protocols as well as providing patrol officers familiarization with the schools.

Middle School Programs may include the following topics:

- **Bullying:** Presentations on the consequences for bullying and cyber-bullying and what to do if a student is being bullied or knows someone who is being bullied.
- **Drugs and Alcohol:** The dangers of using drugs and consuming alcohol are taught. Drug laws and the effects of drugs on a community are also taught.
- **Internet Safety:** Internet usage and social media applications and how making poor choices on the internet can effect a persons future. Special emphasis is placed on the sending of inappropriate pictures as well as threats of any kind.

Elementary School Programs may include the following topics:

- **General Safety:** Age appropriate safety topics are taught in all grades.
- **Halloween Safety:** SIRO and SPO participation in Halloween parades and Halloween safety rules are taught at this level.
- **Wellness Days / Picnics:** SIRO and SPO participation in special events enables them to make positive connections with staff and students.

Family Services Officer (FSO)

The Family Services Officer (FSO) has primary responsibility for family and juvenile matters to include investigating crimes perpetrated by or against juveniles, child endangerment and neglect complaints, domestic violence incidents and investigations into complaints of elder abuse or neglect. This position allows for an officer to receive specialized training to better equip them to effectively handle sensitive matters involving juveniles, victims and the elderly population. Many crisis' involve long term assistance and guidance which may not be conducive with the daily schedule of patrol officer. The FSO has the resources, time and dedication to fully focus on the needs of these individuals.

The FSO is responsible for implementing programs designed to prevent delinquency, substance abuse and victimization along with responding to the request for education and specialized presentations from community groups. The FSO receives requests from the local Boy Scout and Girl Scout troops, BOCES New Dimensions, local senior citizen residential facilities, the YMCA, Town and Village recreation departments, Village libraries, local Day Care and Pre-School programs, Fayetteville-Manlius and East Syracuse-Minoa School Districts, and area church groups.

In order to properly service the community, the FSO maintains a liaison with various programs within the community, along with county funded programs designed to assist with long term solutions for families and victims.

The following is a list of commonly used programs:

- **ARISE**-A school based mental health program for students in need. Currently offered in the ESM School District only.
 - **ACCESS Team**-Single point access for youth aged 5 years old to 21 experiencing emotional and behavioral challenges.
 - **Adult Protective Service (APS)** - Social services program that serves older adults who are in need of assistance.
 - **Child Protective Services (CPS)**
 - **Vera House**-Sexual assault and domestic violence service agency
 - **Project Concern**-Juvenile fire starters program
 - **East Area Support Network**-Committee created to address mental health and addiction issues in the community
 - **Cyber Justice Diversion Program**-Educational diversion program for youth involved in inappropriate use of cell phones or the internet
 - **Youth Assistance Program**-A program designed to provide at risk youth, positive guidance and direction in an attempt to deter them away from illegal activities or committing crimes which may lead to the criminal justice system. This program which is run out of the Auburn Correctional Facility, includes presentations by selected facilitators who are incarcerated.
-
- In 2020, forty-four cases were related to juvenile arrests. Of those arrests, thirty-two different juveniles were arrested and twelve were juveniles who were arrested for other incidents in the same year.
 - Ten juveniles were taken into custody regarding mental health related issues. Seven of them were transported to Upstate Hospital's Pediatric Emergency Room, and three were transported to CPEP at St. Joseph's Hospital.
 - Officer's responded to six missing person's complaints involving juveniles with positive outcomes for each case.
 - Twelve referrals were made to Child Protective Services.
 - Nine cases were transferred to the Onondaga County Sheriff's Abused Persons unit based on a county wide agreement for these types of sensitive cases.

This agency actively engages the youth in our community. Whether it's presenting safety programs, holding bike rodeos, handing out ice cream certificates and police trading cards, there is always positive impressions being made on the youth of this community.

Community Relations

The Town of Manlius Police Department strives to maintain positive community relations through agency sponsored programs within the community and the twelve area schools. These programs are designed to increase the public's awareness of the police function as well as the citizen's responsibility in our community. The Town of Manlius Police Department has increased its utilization of Facebook to assist with advertising community events and notifying the community of criminal activity and general safety topics. Community relations programs are conducted by various members of the department, along with the Family Services Officer, and include but are not limited to:

- Law Enforcement Explorer Post #906

Field Services & Traffic Enforcement

The Field Services Section (FSS) is considered the “backbone” of the agency. The FSS is tasked with:

- Patrol Services
- Responding to calls for service (CFS)
- Preliminary & Follow-Up Investigations
- Collection & Preservation of Evidence
- Traffic Enforcement
- Accident Investigations
- Neighborhood Patrols
- Bicycle Patrol
- Community Oriented Policing Initiatives

The Town of Manlius Police Department’s continued goal is to ensure the safety of all motorists operating within the jurisdiction. The department utilizes traffic enforcement as a tool to reduce personal injury and property damage crashes involving vehicles as well as pedestrians and cyclists on our roadways.

The Town of Manlius Police Department maintains a multifaceted program to address aggressive driving traits. One of the ways this agency addresses these traits, is to use statistical data from crash investigation reports. These reports are analyzed monthly for causational factors, locations, and times of occurrence and the data is then vetted for patterns. After a comprehensive review, a selective enforcement campaign then targets the top causes, locations, and times where preventable motor vehicle crashes (MVC’s) are occurring. The program also looks at all neighborhood traffic complaints and targets these areas as well. These types of operations include public and social media campaigns, roadway signage, and strict vehicle and traffic enforcement. Aggressive driving includes: failure to yield the right of way, following too closely, unsafe lane change, unsafe passing, disregard of traffic signals and signs, using electronic devices while driving, failing to signal and driving under the influence of alcohol and/or drugs. Despite having to work around COVID related issues, the monthly analysis of crash data was maintained and this agency remained involved in statewide campaigns such as “Click It or Ticket” and other aggressive or distracted driving related details.

As seen in many different areas of our agency, COVID played a large part in motor vehicle collision data and traffic enforcement efforts. A review of the total reported accidents for 2020, reveals a decrease of 30% in preventable MVC’s in comparison to the total number of preventable MVC’s in 2019. This decrease is most likely due to the decrease in the amount of daily traffic as a result of business and school closures, and more people working from their homes for a large part of the year. Along with the decrease in daily traffic, and temporary policy changes due to COVID, analysis of the total number of traffic tickets shows a 47% decrease in the number of traffic tickets issued in 2020.
