What Do You Think?

“When you think about what makes a great place to live and age well, what comes to mind first?”

“What are some things about our community that make it easier or better for older adults?”

Outdoor Spaces, Buildings & Transportation

“How easy is it for you to get around town—whether walking, driving, or using public transportation?”

“Are there places you enjoy spending time outside or in public buildings like libraries, town halls, or parks? What makes them appealing—or not?”

Housing & Health Services

“Do you feel your current housing supports your needs as you age? What would help you stay in your home longer?”

“What has your experience been with accessing health care or community support services locally?”

Social Participation & Respect

- “Do you feel included and respected in your community?”
- Are there enough opportunities to socialize or join in on community activities?”
- What kinds of events or activities would you like to see more of?”

Communication, Information Civic Engagement & Employment

“How do you usually hear about local events, programs, or services? Is it easy to get the information you need?”

“Do you feel there are opportunities to share your voice or get involved in decisions that affect your community?”

“Do you think the community offers work opportunities that would work well for older adults?”

Closing Questions

“What is one change or improvement that would make this community more age-friendly for you or your neighbors?”

“Are there any issues with safety or other barriers that make it harder for older adults to feel comfortable and included?”

“Is there anything we didn’t ask that you’d like to share?”
